## Vote on Capital Campaign Committee Recommendation

Our congregation was scheduled to vote Sunday, March 22, 2020, to invest approximately \$300,000 into renovating our sanctuary and the construction of a green space on our North Street lot to begin immediately, with kitchen upgrades and fellowship hall improvements to follow. Due to our current inability to safely gather together, your deacons have decided to carry out the vote as follows.

1 – We ask all church members (remember you must be a church member to vote) to stop by the church office in order to vote **either yes or no** to the deacon recommendation that we carry out the capital campaign projects listed above. We will have a ballot here in the church office for you to indicate **either yes or no**.

2 – If you are unable to get to the church office, or simply do not feel safe leaving your home at all due to coronavirus concerns, we will send someone to your house, with a ballot, in order to enable you to vote. If you fall into this category, simply call the church office and set up a time for a deacon or a staff minister to come to your house. If you would prefer, the deacon or staff minister does not even need to come into your house. The voting can be done on your doorstep!

3 – Voting began on Sunday March 22, 2020 and will end on Sunday March 29, 2020.

As of this writing, Trey or Anita are in the office Monday—Friday. Please call and let them know you're on your way. They'll even be glad to help you do "drive by" voting.

## Church Activities Suspended

All church activities are suspended until further notice. We will continue to worship together by way of the radio (FM 99.3), our website, and Facebook live. In the meantime, let us pray for one another and for our world.

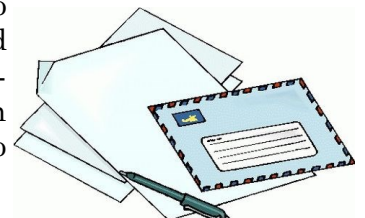

## In the Meantime

While we await the day when our lives may return to normal routines, one of the ways we may minister to one another is to check in with a phone call. Another way is to write letters. Imagine how it would brighten your day to receive a call or letter from one of your brothers or sisters in Christ.

You can brighten someone else's day in the same way.

Let's spread a little light around by calling each other and/or writing to one another. If you need addresses or phone numbers, just call the church office. We'll be glad to help you stay connected.

By the gentle waters You will safely lead me,  
In green pastures feed me, knowing what is best.  
Though I often stray, wander far away,  
I can hear You say, "Come to me and rest."

Though the path be rough and rugged,  
Though the trail be dark and steep,  
Still the gentle Shepherd watches o'er His sheep.

There's no need to fear when the Shepherd's near.  
When Your voice I hear, I find comfort sure.  
Free from all alarm, sheltered from all harm,  
Safely in Your arms, I can rest secure.

With the flock abiding, all my needs supplying,  
Comforting and guiding, leading all the way.

Jesus, loving Shepherd, You'll forsake me never.  
In Your flock forever, I am not alone!  
Though the darkness hide me,  
You are close beside me.  
Gentle Shepherd, guide me 'till I'm safely home.

- Cindy Berry, based on Psalm 23
