In preparation for celebrating the Lord's Supper, you are invited to have the elements available at home.

## Tell Us Your Worship from Home Stories

We've heard so many beautiful stories, and have seen heartwarming pictures of the ways you're being church at home. We'd love to compile your stories and pictures and share them with the church family, so please email them to us or mail them to PO Box 649.

## Wednesday Adult Bible Study

... is still happening each week. Tune in to our church Facebook page for live-streaming each Wednesday from 6 to 7 pm.

## Bracy Scholarship Applications

Any FBCA members who will be college students during the 2020-2021 academic year are encouraged to apply for the Bracy Scholarship. Under our current shelter-in-place circumstances, applications will be mailed to homes upon request. Please contact Anita if you would like an application. The applications are due in the church office on April 30.

## More Online Gatherings

Our church's response to worship participation through the radio broadcast and Facebook live-streaming has been very good. And we're delighted that other groups are taking advantage of online opportunities too. The Genesis Sunday School class has met online for the past three Sundays and had sixteen in attendance on April 26. Well done, gentlemen, and kudos for learning how to meet via Zoom!

Additionally, our youth group is meeting online on Wednesday evenings, and our grade school children are having online Sunday School each Sunday morning.

We offer a big thanks for those who are helping to make these online gatherings possible. It's a great way to remain connected through this pandemic.

## Sunday School Materials

For the Sunday School classes who use materials published by Smyth & Helwys, your study guides and *Reflections* books are available in the church library. You're invited to come by the church and pick up your materials when you are able. Jayne and Tim Frei organized the materials by classes last week. Thank you!

## Transition Team

Our deacons have appointed a transition team who is studying the particulars of how we will gather once again in our church building when we are safely able to do so. Team members are Betty Joyner, Debbie Magette, and Andy Woodard.

## Welcome New Members

We are pleased that not even an international pandemic has stopped folks from joining our church! For three out of the four Sundays in April we've welcomed new members into our church fellowship: Michael Harrell, Billie-joe Harrell, Mary-joe Harrell, Brad Hauser, Colby Hauser, and Leah Woodard.

If you've been feeling led to officially join our church, you also may do so even under our current circumstances. Please speak with Trey about the possibilities.

## Passport Summer Camps 2020 An Update

The leadership of Passport Camps announced, regretfully, that they have canceled their in-person Passport Summer Camps for 2020. They did so with the health and safety of students and their families as well as Passport camp leadership in mind. Instead, there are plans to provide spiritual formation opportunities throughout June and July.

When we learn more about these opportunities we will share them with our families with youth and children. In the meantime, please keep the Passport staff in your prayers as this will be the first time in 27 years they have not offered an in-person camp. Additionally, the college and seminary students who were hired as camp leaders must now come up with a new plan for the summer.
