## Sanctuary Renovation Progress

We were glad to welcome the carpet crew on Tuesday, September 1st. They've begun removal of the old carpet, and then will prepare those surfaces for the new. In the sanctuary, carpet will be installed on the chancel platform, and in the vestibules, including the staircases. The runners for the sanctuary aisles will be installed at a later date.

On the 2nd floor, the red carpet will be replaced in every area except the music suite. And on the first floor, the West St. entrance area and stairs will receive new carpet. You

may keep abreast of the progress through photos posted on our church Facebook page.
