Year-Long WMU Project

We are collecting aluminum pop tabs from any container (soda can, soup can, pet food, etc.) to benefit the Ronald McDonald House in Greenville, NC. The leadership of Ronald McDonald House takes the pop tabs to a local recycler to turn them into money to provide for the families who stay in the house.

The Ronald McDonald House program helps reduce stress and financial burden for families when they must travel far from home to access medical care for their child.

Collection ends August 2025!
