Dominican Republic Youth Mission Trip

What an incredible week for the FBC Ahoskie Youth Group in the Dominican Republic! Throughout our mission trip, we focused on our theme, **"Love in Action,"** grounded in 1 John 3:18:

"Dear children, let us not love with words or speech but with actions and in truth."

As we explored what it means to live out God's love, we learned that love is more than just an emotion, **love sees, love moves, and love serves.**

Our youth had the amazing opportunity to serve the community of Los Conucos in a variety of ways. During the week, we: Worked with school-aged children at a local school each morning, scraped and painted a local church, cleaned up trash around the church block, assisted in the medical clinic by checking in patients, counting medications, and writing instructions in Spanish, and played games and built relationships with children in the community. Through these experiences, our students witnessed firsthand what it means to put God's love into action through service. We are so grateful for the ways God worked in and through our group this week.

A special thank you to Roanoke Chowan Community Health Center for allowing us to partner with you and serve alongside your team. We are also incredibly thankful to our FBC Ahoskie church family for your generous support and donations throughout the year. Your prayers, encouragement, and financial support helped make this life-changing trip possible.

As we return home, our prayer continues to be: **Lord, shape our hearts to be more like Yours, willing to serve anyone, anywhere, in any way.** May the lessons learned and relationships formed this week continue to inspire us to live out God's love every day. Thank you for helping us share the love of Christ beyond our walls and across borders.
