Our Interim Pastor Jackson Glasgow is offering two sessions on “Understanding Grief” for those who have lost loved ones in recent years and would like a better understanding of the emotion of grief. The first session will be August 12 titled, “What Is Grief?” and the second session will be September 2, “Grief: Hurting and Healing”. Both sessions will begin at 5:30 in the Fellowship Hall and will end before choir rehearsal.

You are welcome to bring in your supper if you want to eat during the session. Please feel free to invite a non-member friend or family member that you think might benefit from these sessions.

Keeping Our Children Safe

There is a security concern for our children during morning worship that we want to share with the congregation. When children need to leave the sanctuary for any reason it would be best for them to be accompanied by an adult. If an older child does leave the sanctuary without an adult and their return is not prompt, their parent, grandparent, or another responsible adult should check on them. We love our children and are concerned for them when they are away from the rest of the church family without supervision. Keeping everyone safe is important to us.
